## MESSAGE FROM THE ISNA CANADA PRESIDENT

*Assalam Alaykum wa Rahmat Allah wa Barakatuh,*

Let me take this opportunity to share with you some highlights of ISNA Canada services, events, programs and activities, with gratitude to Allah Subhanahu wa Ta'ala for making it all possible.

In 2016, as in every year, ISNA Canada reached out to people in need, whether in chronic state of poverty or affected by disasters and Syrian refugees, by distributing Zakatul Maal and Zakatul Fitr, either directly or through well-known relief organizations. Assistance to Syrian refugees was provided in the Greater Toronto Area (GTA), Ottawa, and Vancouver.

The Islamic Centre of Canada (ICC) of ISNA Canada has a regularly organized schedule for communities at large to come to ICC and raise funds for new centers as well as expansion of existing centers, and other projects. Some examples from 2016 are the construction of a new Islamic Center in Yellowknife, mosques and institutions in and around the GTA, schools in Montreal as well as for emergency relief work and the ISNA High School's annual umrah pilgrimage.

The funeral services provided by ISNA Canada at its headquarters include bathing, placing bodies in casket, storage, transportation, prayer services for the deceased, allocation of burial plots and performance of burial. In 2016, 155 funerals were performed. Another key service provided by ISNA Canada is the Food Bank serving communities in Mississauga, Hamilton, and North York. In 2016, the food bank operated on the first Saturday of every month from 9 am - 11 am, serving over 7,142 families consisting of 32,174 individuals, and disbursed \$352,217 in financial assistance. Also, open from 10 am to 11 am was the ICC community kitchen serving over 5,500 meals to needy families.

ISNA Canada organized many special events such as breaking of fast during the blessed month of Ramadan and Eid celebrations. The largest event organized by ISNA Canada was the Annual Convention held

at its headquarters, the Islamic Center of Canada in Mississauga, during the Victoria Day weekend, May 20 – 22, 2016. The theme was Principles of Success: Leading with Love and Faith. Annual Conventions are aimed at developing a better understanding of Islam as a way of life, as well as socio-cultural activities that enrich the community. The 2016 Convention was attended by 1,272 people over the three-day period, addressed by many prominent national and international speakers. On the socio-cultural side, there were entertainment sessions that included story-telling, vocal music, and a youth talent show. There was special acknowledgement during the gathering to the traditional lands of the Mississauga of the New Credit First Nations, that the ICC is located on and our responsibility to treat these occupied lands with honor and respect.

ISNA Canada continued its focus on interfaith initiatives. The Canadian tradition of inclusiveness was embraced. ISNA Canada also formed an alliance with its Syrian Newcomer Orientation Workforce (SNOW) and a multi-faith organization run by women called 'Share and Care' to distribute winter blankets to numerous newcomer families.

The ISNA Halal Certification Services, also known as the Halal Certification Agency (HCA) provides services to many Canadian & U.S. business sectors such as meat slaughter houses, retail meat products, processed meat products, non-meat food, pharmaceuticals, nutraceuticals, food supplements, grain & pulses, chemicals, cosmetics, beverages, dairy including ice crème & yogurt, eggs, confectionaries, bakery items, oils, packaging, and other non-food products. At this time, HCA is serving 52 clients.

ISNA Canada services, events, programs, and activities all depend on generosity of donors. Much of the organized fundraising takes place during the month of Ramadan and on a few other special occasions. Much of the credit for inspiring the community to donate goes to Shaykh Abdalla Idris Ali and Shaykh Alaa Elsayed. Money is also collected as unsolicited donations in boxes at the Center. Community members deserve special words of appreciation for their generosity in helping

---

ISNA Canada to maintain good financial standing in 2016. A special event in 2016 was the seminar on the Muslim Community Response to Radicalization Narratives. Speakers included prominent academics and practitioners known for their research and published work on this topic.

Volunteers in Muslim Patient Services at ISNA Canada have been actively making weekly visits to local hospitals as an act of Ayadathul Maridh. They are registered at the Spiritual Care Department of hospitals as volunteer staff, serving halal meals, a musalla (prayer room) for staff, visitors, and arranging Friday congregational prayers. Brochures on Coping with Sickness, Prayers, Sabr, Surgery, Welcoming New Babies, and Attending the Dying were also distributed for the benefit of patients.

ISNA Canada has been actively engaged in youth services and development activities through integration of MYNA and ICC youth. MYNA, has continued to engage the community through a variety of events geared towards girls and boys between the ages of 12-18 since its inception in 1985. In 2016, the MYNA Toronto team executed 18 initiatives, including 2 shelter runs, parallel program sessions at the ISNA Convention, an Islamic Character Development retreat, their annual, highly anticipated summer camp and more. Youth at the ICC also organized a structured program and delivered a variety of activities including study circles, sandwich runs for the needy, safe and youth-friendly gatherings called Under the Dome, Youth Game Nights, and basketball tournaments.

In 2016, the Family Events program arranged a variety of themed social gatherings including the annual cultural potluck showcasing diversity and inclusivity within the ISNA community.

ISNA Canada Bylaws Committee completed a draft of the proposed bylaws and provided the means for access to this draft through a specially established portal where members can login.

ISNA Canada Strategic Planning Committee (STP) with participation of the Administration team completed

the ISNA Canada Action Plan 2016-2020. This is a significant step forward in both serving the goal of enhanced services and capacity building for ISNA Canada.

The number of employees at ISNA Canada headquarters is quite small, less than ten full-time. One may wonder how could ISNA Canada accomplish so much in terms of providing services, arranging events and conducting programs and activities. Much of the credit for it goes to hundreds of youthful, energetic, and mission inspired volunteers. ISNA Canada is sincerely thankful to them and thanks to Allah Subhanahu wa Ta'ala for blessing us with success in serving the Muslims in Canada.

Let us pray to Allah Subhanahu wa Ta'ala that in 2017, and coming years, ISNA Canada will build further strength in bringing to community the message of Islam as a way of life and serving the Muslim community with greater effectiveness, and in line with their expectations throughout Canada.

Kindly remember me in your du'a asking Allah Subhanahu wa Ta'ala to make me seek His pleasure above all else in intentions and actions.

Sincerely,

Dr. Syed Imtiaz Ahmad  
President, ISNA Canada

# HEAD OFFICE ACTIVITIES

## ZAKAT AND FITRA

During 2016, ISNA Canada disbursed zakat funds to a number of deserving applicants, including many Syrian newcomers. Zakat funds were also used to provide various supplies for the Food Bank. Fitra funds collected during the blessed month of Ramadan were disbursed through relief organizations and by funding gift baskets distributed during Ramadan.

## ISNA CANADA CONVENTION

The 42nd ISNA Canada Annual Convention was held on May 20 – 22, 2016 at the ISNA Islamic Centre in Mississauga, Ontario. The theme of the convention was, Principles of Success: Leading with Love and Faith. The convention featured distinguished speakers from ISNA-USA and Canada including ISNA-USA President, Azhar Azeez, Vice-President, Dr. Altaf Husain, Secretary General, Hazem Bata, Imam Siraj Wahhaj, Dr. Jamal Badawi, Sh. Abdalla Idris Ali, and Sh. Alaa Elsayed. Special guests included First Nations representative Cat Criger and defence attorney Dennis Edney.

Special features included a Children's Program, community bazaar, entrepreneurial network sessions, and interactive trivia games. There was special acknowledgement during the gathering to the traditional lands of the Mississauga of the New Credit First Nations, that the ICC is located on and our responsibility to treat these occupied lands with honor and respect.

During the business session, the 2015 Annual Report content was presented and approved.

## INTERFAITH

---

ISNA Canada continued its focus on interfaith initiatives and the Canadian tradition of inclusiveness was embraced. ISNA Canada formed an alliance with its Syrian Newcomer Orientation Workforce (SNOW) and a multi-faith organization run by women called 'Share and Care' to distribute winter blankets to numerous newcomer families.

## ISNA HALAL CERTIFICATION AGENCY

---

The ISNA Halal Certification Services was known in the past as the Halal Certification Agency (HCA) and was an allied independent body. The transition of HCS into an integrated program of ISNA is now completed. It continues to provide services to many Canadian & U.S. business sectors such as meat slaughter houses, retail meat products, processed meat products, non-meat processed foods, pharmaceuticals, nutraceuticals, food supplements, grain & pulses, chemicals, cosmetics, beverages, dairy including ice crème & yogurt, eggs, confectionaries, bakery items, oils, packaging, and other non-food products. HCS certifies products by manufacturers in Canada and the USA. HCS also provides Halal export certification for a growing number of international markets. Private Label Customers of HCA clients may also benefit from the international recognition and respect that our Halal certification body receives. The HCS logo is available in bilingual, English, or French formats and is available for HCS certified producers to use in marketing their Halal certified products.

## FUNERAL SERVICE

---

In 2002, a Funeral Committee was established to provide care and assistance to the families in bereavement. The service has grown to include ghusl, burial, storage, transportation, hospital care, and prayer services for the deceased. The service is largely driven by specialized community volunteers and the need for this service has increased with the aging population. The Funeral Committee also provides tours of the funeral facilities including demonstrations for ghusl and shrouding of the deceased. The service provides dawah to the guests of families in bereavement.

## MUSLIM PATIENT SERVICES

---

Muslim Patient Services at ISNA Canada was established in 1996 to serve the needs of patients in hospitals. A group of volunteers have been actively making weekly visits to local hospitals as an act of Ayadathul Maridh. They are registered at the Spiritual Care Dept. of hospitals as volunteer staff.

Through the efforts of these volunteers, patients are being served with halal meals, a musalla (prayer room) for staff, visitors and patients is available and Friday congregational prayers are also conducted in some facilities. A number of informative forums about Islam and Muslims have been conducted for the hospital staff which has resulted in a great understanding of the needs of patients during their hospital stay.

Informative brochures on the topics of Coping with Sickness, Prayers, Sabr, Surgery, Welcoming New Babies, and Attending the Dying are distributed for the benefit of patients. They are also informed about the facilities available during their hospital stay.

ISNA has published a book titled Islamic Perspectives of Prayers and Coping with Sickness by Amjad Syed which has proven to be of great benefit to patients and their families. This book was awarded the President's Gold Leaf Award in 2002 by the Mississauga Hospital.

## FUNDRAISING

---

The important annual fundraising led by Sh. Abdalla Idris Ali and Sh. Alaa Elsayed occurred on the 27th night of Ramadan. The night's program included the completion of the recitation of the Quran and distribution of sweets to over 3,000 worshippers. Funding appeals occurred regularly during the month of Ramadan, on Fridays, and especially during long holiday weekends.

## VOLUNTEER MANAGEMENT

“Not everything that counts can be counted. And not everything that can be counted, counts.” - Albert Einstein

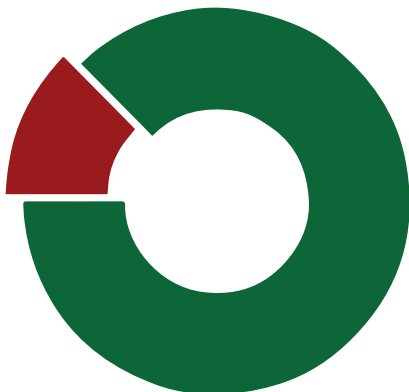

Our community volunteers are vital to keep us going. Hundreds of volunteers support the organization’s growth and on-going capacity needs. Since 2011, ISNA Canada began unifying its volunteer programs, building strategic relationships, and putting in place various management programs for recruitment, training, and retention of volunteers.

Solid links were established with community and professional organizations including the ISNA High School, MSA, MYNA, Muslim Seniors Circle, and the Muslim Medical Association of Canada.

Key volunteers have contributed thousands of hours, energy, and skills to a wide range of activities including serving on Boards, the Annual Convention, the Ramadan Committee, the Food Bank, Family Events, Funeral Service, Matrimonial Service, Compass program, Lanterns publication, Fundraising, counting of the collection after Juma prayers, study circles, and office duties.

To honor and recognize the intrinsic value of our volunteers, we celebrated their contribution through special appreciation events held throughout the year.

## ISNA CANADA MEMBERSHIP

view our **online membership form** at: [www.isna.ca/membership](http://www.isna.ca/membership) or flip to **page 37-38** to fill out the paper form in this report

**The membership list includes 672 life members and 183 regular members. 2016 saw the commencement of a joint initiative with ISNA - USA and ISNA Canada members were invited to join ISNA - USA’s organization and receive free membership benefits.**

## YOUTH PROGRAMS AT ISNA

---

the ISNA Convention, an Islamic Character Development retreat, their annual, highly anticipated summer camp and more.

Youth at the ISNA Islamic Center of Canada also organized a structured program and delivered a variety of activities including study circles, sandwich runs for the needy, safe and youth-friendly gatherings called Under the Dome, Youth Game Nights, and basketball tournaments.

ISNA Canada advanced and promoted youth at various levels to ensure the development of various youth led initiatives.

Now established as a department of ISNA Canada, MYNA continues its historical focus as a youth oriented group that is for the youth, by the youth. MYNA, has continued to engage the community through a variety of events geared towards girls and boys between the ages of 12 -18 since its inception in 1985. In 2016, the MYNA Toronto team executed 18 initiatives, including 2 shelter runs, parallel program sessions at

# ISNA CANADA CENTRE

## Did you know?

ISNA Canada is one of the oldest Islamic organizations in Canada

Islamic Centre of Canada (ICC) was founded in 1996 and has grown to house the ISNA Canada headquarters, the ICC Mosque, ISNA High School, ISNA Canada Funeral Service, ISNA Food Bank, ISNA Halal Certification Service, ISNA Book Service (IBS), ISNA Compass, Syrian Newcomer Orientation Workforce, and other programs and organizations.

Major renovations and maintenance activities continued throughout 2016 to ensure the facilities infrastructure is adequately maintained to meet the expanding needs of the ICC community. The introduction of designated parking was very well received by the seniors at ICC.

## MOSQUE ACTIVITIES

The mosque offers numerous programs and services that cater to the needs of the Muslims in the surrounding community. Among the many prominent guests in attendance at the mosque were Dr. Tawfique Chaudhary, Sh. Ahmed Shehab, Ustadh Amjad Tarsin, Imam Qasim Khan, and Sh. Hosam Helal.

### Religious Affairs

The ICC Imam and Director of Religious Affairs, Sh. Alaa Elsayed, continued to manage and lead the regular halaqas for youth and families. Counseling and marriage services were also offered to the community. He also delivered khutbas at Juma prayers.

### Tafseer and Arabic Classes

Since 2011, Sh. Abdalla Idris Ali has been teaching Arabic classes and Tafseer classes. The classes began 6 years ago and the participation is steadily increasing.

## Quran Program

The Quran Program serves approximately 140 students in classes at various levels with 3 teachers and 3 volunteers. Classes take place on weekdays and weekends and focus on all levels of Qur'anic recitation as well as memorization. The classes are designed in a way that every student is taught one on one with their own lessons and not dependent on other students. A unique feature of the programming is accommodation for students with special needs with the classroom being wheelchair accessible.

The 5th Annual Quran Competition was held in January of 2016 for both boys and girls with over 100 participants and 350 guests. Participants came from all over the GTA and as far as Peterborough. The Quran Competition featured a special presentation in collaboration with SMILE Canada for children of special needs.

Adults (Men's) Quran Classes has continued to run with a steady attendance of 15 adults. These classes are held on Sunday between Maghrib and Isha Prayers. New this year in collaboration with the Quran Classes was the start of Arabic and Islamic Studies Weekend School. Future plans for 2017 are to start Adults (Women's) Quran Classes.

## Recreational Activities

The ICC has continued to support a variety of community circles engaging in sporting activities including senior's badminton, youth basketball and introductory martial arts programs.

## Family Events

The Family Events program has been running since 2009. Initially responsible for bringing monthly Potluck and Lecture events to the community, the program now includes all community social functions at ICC. In 2016, a variety of themed social gatherings were hosted including the annual cultural potluck showcasing diversity and inclusivity within the ISNA community.

Mayor Bonnie Crombie, in attendance at the annual Eid Al-Adha dinner, acknowledged the team's efforts by presenting a certificate in recognition of its "vibrant faith community & spiritual leadership". Special guest speakers included MP Sven Spengemann, MP Iqra Khalid, and MPP Charles Souza.

## Youth Activities

Beside the MSA and MYNA sponsored activities, there are also other youth activities taking place at the ICC. These involve religious and sport activities such as Qiyam-ul-Layl (night prayer) and sports tournaments. The youth have been especially instrumental in volunteering across the board and more notably for the Convention and Ramadan programs.

## Fundraising Support for the extended Islamic Community

In one of its many efforts to support our ever growing community, ISNA Canada opens its doors at the ICC monthly to allow external Islamic registered charities to collect funds from the ICC congregation.

Through this program, ISNA Canada supports organizations striving to fulfill the needs of our community - locally and nationally. In 2016, efforts ranged from the construction of the Yellowknife Islamic Center, to mosques and institutions in and around the GTA, schools in Montreal as well as for emergency relief work and the ISNA High School's annual umrah pilgrimage.

ISNA Canada has also benefited Muslims and relief efforts nationally and internationally. This program is one of the most popular services ISNA Canada provides and ISNA Canada is committed to assisting registered charities with a current waiting list until 2021.

## Food Bank

Since 2009, the Food Bank has been serving the needy. Managed by a dedicated team of 50 core and 150 casual volunteers, the Food Bank services its clients on the first Saturday of every month.

The average composition of a typical family is four. 27% are single parents. 46% are children and the genders are roughly 50% each. The average household income is \$2,258 down from \$2,571 in 2015. Rent averages \$1,050 depending on where they live in the GTA. Average Rent was \$1,265 in Mississauga, \$1,120 in Toronto, \$950 in Kitchener and \$870 in Hamilton. 47% of our clients served arrived in Canada after November 2015. 83% are on government assistance; 37% on Immigration support.

\$296,000 in donations was received for the Food Bank in 2015. The Food Bank committee expenses, including the Eid gift baskets, were \$293,680.14.

Other activities of the Food Bank Committee include:

- 1) Qurbani meats: 2,500 lbs. were collected and distributed to the poor.
- 2) Eid Gift Baskets: 700 were made and given to the needy to enjoy their Eid.
- 3) Eid-UI-Adha: 500 gifts, pencil cases, filled with basic school supplies were given out to the underprivileged children.
- 4) The Soup Kitchen: this serves 500 continental breakfasts to the needy every month.

## Ramadan

The holy month is the busiest at the ICC – with about a thousand worshippers attending the nightly prayers. A dedicated Ramadan Committee is established annually comprising of staff and volunteers to facilitate car parking, fundraising, iftaar, i'tikaaf, child minding, youth programs, security, as well as the Eid-ul-Fitr prayer and celebrations.

The community received up-to-date prayer information from our unique and dedicated [www.isnaramadan.ca](http://www.isnaramadan.ca) website and through the introduction of live streaming of daily prayers that are led by three renowned Islamic scholars.

## Eid Prayers

Each Eid, three congregational prayers are held at the ICC where all doors are opened to accommodate the thousands of worshippers who come out to these joyous occasions. In 2016, the ICC's Family Events Team arranged Eid Festivals, for both Eid-ul-Adha and Eid-ul-Fitr, for over one thousand community members.

## Facility and School Tours

Students from various interested organizations visited the ICC facility throughout the year and these include Catholic/Private Schools, Public Schools, and Churches. The students of ISNA High School are instrumental in leading presentation, discussions, tours of the facility, and demonstrations of prayers and ablution.

## Matrimonial Services

Launched in 2013, the Matrimonial Mixer program has become a much prized and sought after service for community individuals seeking marriage partners in the range of 25 to 45 years of age. The event features unique programming that is managed by young volunteers to carefully facilitate introduction of 90 - 100 singles per event. In addition to the regular quarterly events, a highly welcomed Matrimonial Outdoors Picnic event was initiated in 2016.

## ISNA Lanterns

Lanterns, initiated in 2014, is a grassroots publication supported by volunteers who contribute monthly by editing, copy-editing, writing, providing graphics, pictures, multimedia support and, most importantly, lively and relevant conversation. Lanterns focuses on issues that affect real Canadian Muslims. A lantern represents light and illumination – something people can turn to in darkness. Lanterns brings to light the most pressing issues facing the Muslim community. Lanterns invites and offers unique and original content that is representative of its writers.

The publication is released on the first Friday of each month via email and its dedicated blogsite [www.isnalanterns.com](http://www.isnalanterns.com). Lanterns also publishes reviews of books and current events and, on a lighter side, reviews of popular restaurants serving halal food. Lanterns has published 274 articles, with 186,393 views and 109,854 visitors.

## Think Green, Think ISNA

ISNA Canada launched the first phase of its recycling initiative called 'Think Green, Think ISNA' in late October 2013 in collaboration with the ISNA High School and dedicated community volunteers. The initiative has been embraced widely and became a key feature of the Annual Convention program and throughout the Ramadan season.

## Community Information and Resource Center (COMPASS)

COMPASS

Established in early 2014, ISNA Compass is a unique initiative, custom designed to be a community information and resource center. ISNA Compass is both a concept and a physical environment. Conceptually, it is a hub that provides direction to service seekers and bridges the service gap through a network of formal and informal relationships with Muslim and mainstream service organizations in the Greater Toronto Area.

In 2016 COMPASS evolved to support the community in a variety of ways including a Mental Health Seminar. In its physical form, the ISNA Compass continues in a dedicated space and presence at the ISNA Canada Centre.

## **Mental Health Registry**

In November 2014, the Mental Health First Aid two-day workshop was introduced by the Peel Service Collaborative and it was designed to raise awareness and understanding of mental health within faith-based communities.

In October 2015, ISNA Canada held its own seminar titled 'Community Approach to Mental Health' attended by both Muslims and non-Muslims and aimed to educate the community on how to deal with mental health issues. Speakers included many distinguished psychiatrists and psychologists, a clinical counsellor, an administrator, and a scholar of Islamic shari'ah. By having a diverse panel, this seminar provided a holistic approach to mental health issues rather than focusing solely on a clinical or spiritual/religious perspective.

The initiative for a registry of mental health practitioners was introduced in 2015 with plans for roll-out across the nation.

## **ISNA SNOW (Syrian Newcomers Orientation Workforce)**

In anticipation of giving a warm and welcoming embrace to the Syrian newcomers who joined our communities in December 2015, ISNA Canada has taken initiative to establish contacts with the Government of Ontario for playing a supporting role. ISNA Canada did the same with the federal and other provincial governments, charities, and community groups across Canada.

The Syrian Newcomers Orientation Workforce (SNOW) was setup to complement efforts for resettlement of Syrian refugees in Canada. Over 150 volunteers signed up to serve the newcomers, with a desire to facilitate, for all Syrian newcomers, a comfortable and supportive start for a new life in Canada. SNOW teams provided guidance and support from the initial steps of sponsorship to the final stages of settlement for refugees and their support families.

Several social events were organized with the focus to greet the newcomers and their Canadian support families, introduce them to our help in a variety of ways: gift packages for young children, practice for English language skills, religious guidance, practical tips, and weekly deals for supermarket shopping, transportation help, 'buddy' family networks, help with accommodation, and job searches.

## **Family Counselling Services**

Many Muslims in the GTA face particular challenges while navigating concerns like family conflict and mental illness, including the stigma attached to seeking professional help and the lack of knowledge of existing services. These challenges can be exacerbated by the shortage of culturally competent social service providers. To meet these challenges, a ground-breaking free Family Counselling Service was launched in the summer of 2015 at the ICC as part of ISNA Canada's commitment to meeting the needs of Muslims in the GTA to ensure their health and wellbeing.

Shahnaz Ahmed, the ISNA Canada Family Counsellor, provided counselling and psychotherapy to children, youth, adults, and families of diverse backgrounds.

The Family Counsellor provided support to clients in English, Bengali, Hindi, Urdu, and Punjabi. Further, as a registered social worker, she is bound to keep all information shared by clients private and confidential.

# 2016 Strategically Aligned Initiatives

## PREVENTING RADICALIZATION

Over the last few years, counter-radicalization has emerged as a national security priority for governments. Canada's latest budget dedicates \$35-million to creating a new Office of Counter-Radicalization, following in the footsteps of other countries – including the United States and the United Kingdom – that have developed programs to counter radicalization and violent extremism.

A symposium titled Preventing Radicalization – Muslim Community Response to Radicalization Narratives brought together experts to discuss emerging issues in Canada's counter-radicalization program and lessons to be learned from experiences with counter-radicalization in the United States (US) and United Kingdom (UK).

Several experts assembled in November 2016 to present experiences from Canada, the US, and the UK, including Arun Kundani, Barbara Perry, Carmen Cheung, Sh. Abdalla Idris Ali, and Azeezah Kanji. The event was co-sponsored by leading National Muslim Organizations including Muslim Association of Canada (MAC), Islamic Circle of North America (ICNA), and DawaNet.

---

## COMMUNITY LEADERS SPECIAL LUNCHEON

ISNA Canada emitted a very positive signal that the Muslim Canadian community is looking forward to working with government officials at all levels for the benefit of Canadian Muslims and Canada as a whole. On April 9th, 2016, ISNA Canada hosted a special luncheon with community leaders and government officials to discuss major issues facing the Muslim community in Canada.

Dr. Imtiaz Ahmad brought light to current community challenges, while Zoya Alam presented on the need and commitment to building at the Municipal, Provincial and Federal government levels in order to address issues of diversity, integration into social services, systemic racism, mental health, and domestic abuse, such that Canada becomes a safe and inclusive country.

In attendance were several government representatives including Mississauga Mayor Bonnie Crombie, Mississauga Ward Councilor Karen Ras, MPP – Mississauga South Charles Souza, MPP – Mississauga Streetsville Bob Delaney, Hon. Mississauga - Lakeshore MP Sven Spengmann, Hon. Mississauga – Erin Mills MP Iqra Khalid, and Hon. Mississauga – Center MP Omar Alghabra.

## ISLAMIC DEVELOPMENT BANK: SCHOLARSHIP

ISNA Canada in partnership with the Islamic Development Bank (IDB) located in Jeddah, Saudi Arabia, offer an undergraduate scholarship – loan for students entering their first year in university. This is an interest free loan for undergraduate students during their 4 (four) years of studies.

Two new applicants were selected to receive the awards for the 2015 – 2016 academic year. The recipients are in the academic disciplines of Medicine and Computer Science. There were 8 continuing IDB Scholarship – Loan recipients who received their payments in 2016.

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Islamic Society of North America - Canada

We have audited the accompanying financial statements of Islamic Society of North America - Canada (ISNA), which comprise the statement of financial position as at December 31, 2016 and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

In common with many charitable organizations, ISNA derives a portion of its revenues from cash donations, the completion of which are not susceptible to complete audit verification. Accordingly, our verification of these revenues was limited to the amount recorded in ISNA records and we were not able to determine whether any adjustment might be necessary to this revenue, excess of revenue (deficiency) over expenses, current assets and net assets.

ISNA does not amortize its assets which is a departure from Canadian accounting standards for not-for profit organizations.

### Qualified Opinion

In our opinion, except for the effect of the matter described in the basis for qualified opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Islamic Society of North America - Canada as at December 31, 2016 and result of its operations and fund balances and cash flows then ended in accordance with Canadian accounting standards for Not-for-Profit organizations.

Other Matter

The title of the property occupied by the organization is held by the Canadian Islamic Trust Foundation (CITF). CITF is the trustee and holds the property in trust for the Islamic Co-operative Housing Corporation Ltd. and the organization. The transfer of 100% title to ISNA - Canada will come in effect upon full payment of the loan outstanding with the Islamic Co-operative Housing Corporation Ltd. The management of the property continues to remain with ISNA - Canada.

# ISLAMIC SOCIETY OF NORTH AMERICA - CANADA

## Notes to Financial Statements

Year Ended December 31, 2016

---

### 1. DESCRIPTION OF BUSINESS

Islamic Society of North America - Canada (the "organization" or ISNA) is a not-for-profit organization incorporated on September 26, 1983 under the Corporations Act of Ontario. The organization is a registered charity under the Income Tax Act.

The organization's principal purpose is to build Islamic Centres, Mosque and Islamic Schools, hold Annual Conventions/Conferences, Seminars and Workshops propagating Islam for better understanding between Muslims & Non-Muslims in Canada and also providing community social assistance to relieve poverty.

---

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). The preparation of financial statements in accordance with ASNPO requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. These financial statements are prepared on a going concern basis which contemplates the realization of assets and the settlement of liabilities in the normal course of operations.

#### Inventory

Inventory consists of graves purchased from cemeteries and is valued at the lower of cost and net realizable value with the cost being determined on a first-in, first-out basis.

#### Property, plant and equipment

Property, plant and equipment are stated at cost or deemed cost less accumulated amortization. It is the policy of the Management not to depreciate the organization's capital assets. Since depreciation is a non-cash expense and has no impact on the cash flow and income tax being a charity, the organization decided not to include the depreciation expense in the income statement.

#### Impairment of Long Lived Assets

The company tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

#### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

### Notes to Financial Statements

Year Ended December 31, 2016

---

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

##### Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from these estimates. The significant areas requiring management's judgment related to the estimated useful lives of the property and equipment, estimates of fair value for donation-in-kind, estimated net realizable value of other assets and the recording of accrued liabilities. These estimates are reviewed periodically and as adjustments become necessary, they are reported in earnings in the period in which they become known.

##### Revenue recognition

Islamic Society of North America - Canada follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Revenue from general donations is recognized when received. Charitable donation receipts are provided when cash is received. ISNA does not accept donation in kind.

Revenue from all other sources is recognized when significant risks and rewards of ownership have been transferred and there are no significant obligations remaining, the sales price is fixed and determinable, persuasive evidence of an arrangement exists and collectibility is reasonably assured.

---

#### 3. GOING CONCERN

The accompanying financial statements have been prepared on the going concern assumption that the company will be able to realize its assets and discharge its liabilities in the normal course of business.

In November 2011, Canada Revenue Agency (CRA) conducted audit of the books and records of the organization for the period from January 1, 2007 to December 31, 2009. The CRA identified several internal control deficiencies and there was a risk that the organization would lose its charitable status. As a result, the organization appointed a new management team who took immediate steps providing a detailed response and steps that would be taken to rectify the deficiencies outlined in the proposal. (In subsequent years, ISNA has been subject to routine audits regarding harmonized sales tax returns and its issuance of donation receipts. CRA has not found any deficiencies and has accepted the filed returns and receipts issued.)

These financial statements do not reflect adjustments that would be necessary if the going concern assumption were not appropriate because management believes that the actions already taken or planned, as described above, will mitigate the adverse conditions and events which raise doubts about the validity of the going concern assumption used in preparing these financial statements.

Year Ended December 31, 2016

---

4. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the company's risk exposure and concentration as of December 31, 2016.

*(a) Credit risk*

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from tenants for its commercial activities. In order to reduce its credit risk, the organization reviews a new tenant's credit history before extending credit and conducts regular reviews of its existing tenants' credit performance.

*(b) Liquidity risk*

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its donors, customers and other related sources, long-term debt, obligations under capital leases, contributions to the pension plan, and accounts payable.

*(c) Market risk*

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk and other price risk.

*(d) Currency risk*

Currency risk is the risk to the company's earnings that arise from fluctuations of foreign exchange rates and the degree of volatility of these rates. The company is exposed to foreign currency exchange risk on cash, accounts receivable, and accounts payable held in U.S. dollars. The company does not use derivative instruments to reduce its exposure to foreign currency risk.

Unless otherwise noted, it is management's opinion that the company is not exposed to significant other price risks arising from these financial instruments.

---

5. CASH AND BANK

Any cash that is legally restricted from use is recorded in restricted cash. Cash and deposits are considered restricted when they are subject to contingent rights of third parties. The restricted funds are as follows:

	2016	2015
<b>Restricted Funds</b>		
Donations for Syrian Refugees	\$ -	\$ 43,540

The above funds are restricted for their respective purposes.

7. DUE TO RELATED PARTIES

1. ISNA School Board (ISB)

The organization has a rent receivable from the ISB in the amount of \$463,125 as of December 31, 2016 (\$1,096,780 - as of December 31 2015).

2. Islamic Co-operative Housing Corporation Ltd. (ICHC)

ICHC and ISNA jointly acquired and renovated the land and building situate at 2200 South Sheridan Way, Mississauga, L5J 2M4. As of May 2015, the total amount of \$7,157,000 was advanced by ICHC toward the purchase and construction of the property. Advances from ICHC are non-interest bearing. ISNA is required to repay ICHC quarterly instalments of \$100,000 on March 1, June 1, September 1 and December 1 of each year until such time as the amount of \$7,157,000 is fully paid. ISNA agrees, where capable, to make more frequent payments or payments of larger amounts than the agreed quarterly installment, to reduce the length of payment of the indebtedness.

	2016	2015
Due to ICHC - current	\$ 400,000	\$ 400,000
Due to ICHC - long term	<u>5,557,000</u>	<u>6,757,000</u>
	<u>\$ 5,957,000</u>	<u>\$ 7,157,000</u>

8. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

## **ANNUAL MEMBERSHIP REGISTRATION**

Join today and carry the ISNA® Canada card with pride — experience the joy of being part of a national movement. The doors of ISNA are wide open for your participation!

### **Some key reasons to join hands with ISNA® Canada:**

Islam is growing at a high speed in North America, alhamdulillah. The Muslim population has exceeded the mark of eight million people in the region. In order to ensure that the Muslim voice is heard loud and clear in all forums of policy making and governance, Muslims need strong organizations.

ISNA® Canada is an association of Muslim organizations and individuals serving such needs in Canada and other countries. ISNA® Canada's mission is to provide a unified platform for expression on Islam, to develop educational, Da'wah and social services that translate the teachings of the Qu'ran and the Sunnah into everyday living, and to enhance Islamic identity in the society at large.

### **ISNA® Canada has lots to offer you besides kinship and the privilege of being part of a national movement:**

- Discounted rates for the registration to participate in the ISNA® Canada Annual Convention (the longest running event of its kind) in Greater Toronto Area and / or the ISNA® Canada West Annual Conference in British Columbia and Alberta.
- Discounted rates (5%) for the registrant at the ISNA Canada Bookstore.
- Right to vote during ISNA® Canada elections - exercise your right by helping to choose the leadership of your organization.

**ISNA Canada services include consultation and advice to Muslim communities, interfaith outreach and providing networking opportunities for Muslim professionals in their specialties.**

**Flip to the other side of the page for our annual membership form!**
